Re: Rudersdal, EOOD, et al. v. Harris, et al.,
1:18-cv-11072

Dear Magistrate Judge Lehrburger:

I write this letter motion request as counsel of record for all Plaintiffs in the above-named matter. In accordance with your Honor's Individual Practices in Civil Cases 1(F), Plaintiffs respectfully submit this consent motion to enlarge time from November 15, 2019 to December 13, 2019 for Plaintiffs to file their responses to Defendants eight Motions to Dismiss. In order to harmonize Defendants' reply to Plaintiffs responses, Defendants seek to file their replies to Plaintiffs responses by January 28, 2020. Plaintiff consent to this.

Plaintiffs' extension is respectfully requested and warranted because Plaintiffs' counsel have had a scheduling shift in their respective trial and appellate cases from August to October and November 2019 making it impossible to respond by the previously set November 15, 2019 date. Additionally, below signed counsel has been ill. This is Plaintiffs' first request to enlarge time to respond to Defendants' Motions to Dismiss. All parties who have appeared to date consent.

Thank you for your time and attention to this matter.

Regards,

/s/ Sylvia J. Rolinski
